FUNERAL OF E. J. BOSHER TAKES PLACE TO-DAY

Services Will Be Held in First Baptist Church This Af-

WAS PROMINENTLY CONNECTED

Chairman of Board of Lee Camp, Soldiers' Home, and on Boards of Mechanics' Institute and Male Orphan Asylum.

Capt.E.JeterBosher Funeral services for Captain Edwin

Jeter Bosher, who died early yester-day morning at his home on the Brook-land Park Boulevard, will be held at 4 o'clock this afternoon from the First Baptist Church, of which Captain Baptist Church, of which Captain Bosher was a deacon, Captain Bosher was prominently identified with the business life of the

", can truly say," said Judge Chris-tian last night, "that there was no more gallant, devoted and patriotic soldier in that glorious army than Captain Bosher. He always measured up to the highest standards of the soldier and patriot in all the trying times of the war."

JITNEYS NEED NOT SECURE FRANCHISE (Continued from First Page.)

taxicabs and free-lance automobile charging the usual trip or sightseeing rates. These and the fitney busses a present pay only the nominal automo bile license tax, which goes entirely

POLLARD SUBMETS

OPINION ON JITNEY In his opinion, accompanying the or dinance, City Attorney Pollard holds: "That persons operating 'jitne busses' or automobiles upon the street of the city of Richmond for the trans portation of passengers do not com under the restrictions provided by the Wytheville ... 34 44 34 Cloudy Constitution and statutes of the State, on the granting of franchises by the cities and towns for the right to use the streets of the city, the business of the operation of jitney busses on the Sun rises.....6:06 Morning....12:43 streets not being expressly named in the Constitution or statutes referred to Constitution or statutes referred to CONT. TAY to, nor are they, in my opinion, conducting a like enterprise to the businesses which are named-street railway, gas, water, steam or electric heating, elec-tric light and power, cold storage, com-

water, steam or electric heating, electric light and power, cold storage, compressed air, viaduct, conduit, telephone or bridge companies.

"It is to be observed that all of the enterprises named, in order to conduct their business, must, of necessity, in some measure disturb the street along which they propose to operate, by placing permanently in the street some essential part of their construction necessary for the operation of their business. Not so with the business conducted by the owners of jitney busses. Hence the holding that the operation of jitney busses is not a like enterprise,' and therefore is not controlled by the constitutional provision and statutes referred to.

BELIEVES BUSINESS

SHOULD BE REGULATED
"It is nevertheless true that the public good, in my judment, requires that the business should be regulated to the end that life and property may be safeguarded, and it is further true that their continued and frequent operation over the streets of the city will necessitate greater expenditures to preserve the streets from wear and tear. This is neverable and the derived from the classes of property segregated to the State and the derived from the classes of property segregated to the State and the derived from the classes of property segregated to the State and the derived from the classes of property segregated to the State and the derived from the classes of property segregated to the State and the derived from the classes of property segregated to the State and the derived from the classes of property segregated to the State and the derived from the classes of property segregated to the State and the derived from the classes of property segregated to the State and the derived from the classes of property segregated to the State and the derived from the classes. If we assume that our clizens are to pay taxes at no higher rate this year than they did last year, the proper city rate upon realty and tangible personality should be \$1.65 instead of \$1.75. Upon this basis the gain collines to the c

their continued and frequent operation over the streets of the city will necessitate greater expenditures to preserve the streets from wear and tear. This being true, the city of Richmond may exercise its police power to regulate the business, and its taxing power to impose a tax that will remunerate the city for the wear and tear which the business will occasion to streets, "With this end in view I have taken" the liberty of preparate.

In some, who will thus be called on to pay additional taxes upon that home and upon the household effects confirmed in its nome, who will thus be called on \$76,848.91.

Douglas E. Taylor et al., trustees to Herbert E. Richardson, 18 1-2x134 feet 6 1-2 inches at the southwest corner of Franklin Street and Whitlock Alley. William S. Rose et al. trustees to J. A. Lewis et al, 30x155 feet east line to to to to the development of the decrease in the southwest corner of the business will occasion to streets, "With this end in view I have taken the southwest corner of the business will occasion to streets, "With this end in view I have taken the liberty of preparate."

Stream of the city of the city of which the city of the business will occasion to streets, "With this end in view I have taken to pay additional taxes upon that home and upon the household effects conlined in it.

The business are the city of which the city of the could be considered in the southwest corner of Franklin Street and Whitlock Alley. William S. PLUMBING PERMITS.

NEW YORK March 28—Dun's review of the Washington, March 26.—Improvement will say:

"Domestic distribution of merchandise increases so slowly that the gains from week to week do not appear immortant, and increase so slowly that the gains from week in week do not appear immortant, and increase of not appear immortant, and increase of not appear immortant, and increase in activity has been promoted in pig from this week at the expense of values. Finished siesi output now averages at 25 per cent rate of production, for increased consumption. The shipyards and the automobile industry are active. The demand for textiles is broadening, sithough the trade is still hampered by the carreity of dyes and the higher price of the raw product. The fine weather and the indications of an early spring are favorable for retail trade. Silks and embroideries show improvement. The shoe trade is suited though steady, with factories generally running on part time. The cotton market silvances in activity and price.

"Wheat fluctuates according to the warnews. In contrast to the conservative movement in domestic lines is the remarkably rapid expansion in foreign trade, war or ders everoning the cost of products made with a vest ago.

"Turing February the exports of bread-extraordinary gains as compared with a vest ago.

"Toreign orders being capacity.

Statistical after the war begain the Bureau of Insular Affairs and nounced to-day, and the net result of the Bureau of Insular Affairs and nounced to-day, and the net result of the year's trade was a decrease of only \$19.6.678 in exports. Import reductions were chiefly in exton cloths and iron and steel products.

Imports were valued at \$48,588,653; exports, \$18,059,634. About one-half of both export and import business of trade with the United States. Great Britain stood second in volume of trade with the till slands.

Gordon Paddock, had appealed to Russian commanders in the region near Tiffis to send soldiers to rescue the Christian populace. The Russian gen, man, both Americans, left this city for

Bradstreet's Report.

NEW YORK, March 25.—Bradstreet's weekly review of trade to-morrow will say:

"Distributive trade has expanded in the
northern half of the country this week,
the stimulating features being better weather and the nearer approach of Easter. In
addition, sentiment as to the outlook has
been benefited by a slight speeding up of
manufacturing industry, the enlarged speculation at higher prices in option and securities and the publication of government
returns of foreign commerce accentuating
the command this country exercises through
its prominent position as a provider of suppiles of all kinds to the warring nations.

"War order business, however, still remains
to send soldiers to rescue the
Christian populace. The Russian generals, it was said, were awaiting orders
from Petrograd.

AID OF RUSSIAN

SOLDIERS NOT LIKELY

In view of present efforts of the
American government to have Turkis throops sent to the region, it was
from the Russian soldiery. In view
of hostilities between Russia and Turthe strong point of the entire situation, and
domestic trade and demand still betray the
existence of caution beyond normal precedent for this season of the year with immediate need buying governing nearly all
operations.

"The great basic facts of soll and cropconditions favor the growing of large crops
